

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Part - Providing services, products and solutions so as to ensure efficiency and to increase the productivity in industrial, commercial and residential surroundings, Ingersoll Rand is very proud provider of products that help improve the safety, comfort, security and health of people all over the globe.

The Climate Solutions division provides a world-class product line of energy efficient HVACR solutions for customers. Thermo King is the leader in transport temperature control, while Hussmann is a maker of refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, contracting and building services, parts support and advanced controls utilized for both residential homes and commercial buildings.

The Industrial Technologies sector of Ingersoll Rand provides products and solutions in order to improve operations, energy efficiency and productivity for their clients. The series of products in their line comprise: pumps and tools, and material fluid handling systems to complete compressed air systems. They have even developed Club Car, the international leader in golf and utility vehicles for companies and individuals.

Recognized brands such as Trane and Schlage compromise the Residential Solutions business, delivering comfort, safety and efficiency to home owners all across North America. Several of their innovative quality products comprise mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, portable security systems, advanced controls and remote home management.

The sector comprising Security Technologies offers products which ensure productive, secure and safe environments. This division's market leading products include floor and door closers, exit devices, portable security devices, electronic and biometric access control systems, cabinet hardware, steel locks, doors and frames, locksets and decorative hardware. Schlage even has products that offer attendance, personal and time scheduling systems.
