

## **Forklift Electrical Parts**

Forklift Electrical Part - Lift trucks could be particularly labeled to be utilized in hazardous locations. A marked lift truck denotes the design has met the least standards of ANSI/UL 558 intended for engine powered forklifts or ANSI/UL 583 utilized for electric forklifts for the type of label placed.

The application for labels for lift lift trucks could be found in National Fire Protection Association NFPA 505 - Powered Industrial trucks including: Type Designations, Areas of Use, and Maintenance and Operation. Ask your local insurance provider and Fire Marshall for more information concerning the permitted uses of industrial powered trucks in your application.

If the lift truck has been proven to satisfy the outlined criteria, the following labels may be attached. A marked truck will have the type designation located on the forklift nameplate and would have one of the following labels placed.
